1. What is your connection or interest in this case? \* For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

Dominion request to increase rates again and I am a customer opposed to the increase.

2. Please give a concise statement of your protest. \* (This section must be completed. Attach additional information if necessary.)

Dominion has stated they would not increase rates not only when they took over SCE&G but after and they continually increase the rates. With the weather in South Carolina the use of heat or air conditioning that runs off electric is non stop. These rate hikes need to stop. Records show their executive staff are highly compensated and maybe they should be looking at lower those rates instead of increasing ours.

3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony? \*
